

Bedhead Styles

Stuckey (BH1)

Plain short style with no side seams. Standard projection is 10cm or for a less padded option 5.5cm projection is available on request. Sits neatly along the mattress, flushed to wall. Does not go to floor.

Shapes available: 9 only.

Padded Band (BH2)

15cm wide padded band with 7mm piping inserted below band and 60cm high insert. 5cm seamed walled side. Calico insert sits behind mattress.

Shapes available: 8 and 9.

Padded Roll (BH3)

Padded roll with 7mm piping inserted below roll. Roll width is 9cm for single bed, 12.5cm all other sizes. 60cm high main insert sits deeper than surrounding roll. Calico insert sits behind mattress. Does not sit flushed to wall. Skirting board cut-out unavailable.

Shapes available: 1 to 8.

Plain (BH4)

Plain style front with no side seams and single row of 7mm piping on back wall edge. Piping can be omitted on request. Does not sit flushed to wall. Skirting board cut-out unavailable.

Shapes available: 1 to 8, and 9 if no piping required.

Walled (BH5)

Plain style front with 5cm seamed walled side and 4.5mm piping on front and back wall edge. Piping can be omitted on request.

Shapes available: 1 to 8 and 9 if no piping required.

Vertical Panel (BH6)

Vertical deep panels approx 20cm each in width. Panels can be made wider on request. Best for plain fabrics. Base cut-out unavailable.

Shapes available: 8 and 9.

Deep Diamond Button (BH7)

Upholstered with covered deeply inset buttons in a diamond configuration. Fabric must be railroaded. Optional surrounding wings can be added. Base cut-out unavailable.

Shapes available: 1, 4, 8 and 9.

Rectangle Panel (BH8)

Horizontal and vertical seams sewn into fabric to create rectangle panels along with blind button detail. Best for plain fabrics.

Shapes available: 8 and 9.

Winged (BH9)

Plain style front with surrounding wings with 30cm projection, available in five different wing shapes. Refer overleaf. Studs or sewn wall can be added to wing. Recommended to sit on floor.

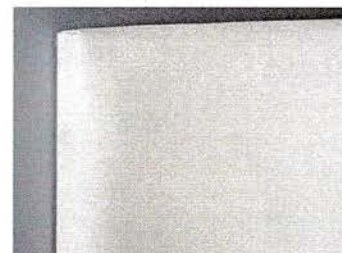

Bedhead shapes available: 2, 3, 5, 6, 7 and 9. Surrounding wing shapes available: A-E.

Flanged (BH10)

Slip cover is pulled tightly over an upholstered bedhead frame. A 1cm flange sits on top and side edges. Flange size can vary on request. Does not sit flushed to wall. Skirting board and base cut-out not available. Finished bedhead projection is 4cm.

Shapes available: 9 only.

Folded Corner (BH11)

Plain style front with 5cm walled side with no seams and no piping. Fabric is folded into pleat in top corners.

Shapes available: 8 and 9.

Duo (BH12)

Two separate panels with plain fronts and 50mm seamed walled sides. If bedhead to sit on floor, panel joining plates and floor support legs available on request and fastened onsite. QS and KS sizes only.

Shapes available: 8 and 9.

Square Panel Insert (BH13)

15cm wide padded band and square panel sewn insert with blind button detail. Calico insert sits behind mattress. Best for plain fabrics. Single bed size not available.

Shapes available: 8 and 9.

Semicircle (BH14)

Semicircle shaped bedhead with plain front and no side seams. KSB, DB, QS and KS sizes are made higher than our standard 120cm height. Stripe fabric not recommended.

Shapes available: 10 only.

5 Panel (BH15)

Five separate panels with plain fronts and no side seams. If bedhead to sit on floor, panel joining plates and floor support legs available on request and fastened onsite. QS and KS sizes only.

Shapes available: 9 only.
